Direct Deposit

The BEST way to receive your Trustees Lost Wages

And here's why...

Direct deposit is **safe** because your Trustee lost wages automatically deposited into your bank account – no more worrying about lost or stolen checks or delays caused by mail service.

Direct deposit is **fast** because no matter if you are sick or away from home, your check is still deposited into your account. No more standing in long bank lines or waiting for your check to clear.

Direct deposit is **easy** because your Trustee lost wages is deposited into your checking or savings account on time, correctly and confidentially.

Please take a few minutes and complete the form on the back so you can take advantage of the benefits of Direct Deposit. It will take Benefit Service about 30 days after it receives your authorization to set up the procedure with your bank. Please be assured there will be no interruption in your monthly benefit and there is no cost to you.

*****IMPORTANT*****

Please notify Benefit Services *immediately* whenever you change your address so that our records will be updated and you will continue to receive your monthly direct deposit.
